Food and Agriculture Department

G.O.Ms.No.1165 Dated the 15th October 1949.
Read the following:-

ORDER:

The Government direct that the Members of the Legislature, their nominees and members of their joint families should not be given (1) licences to deal in iron and steel materials allotted for agricultural purposes or (2) quotas of iron and steel for fabrication into agricultural implements which are subject to control.

2. The Government also direct that the Members of Legislature and members of their joint families who were dealing in iron and steel for agricultural pruposes or who were fabricators of agricultural implements before hey became Members of Legislative Assembly or Members of Legislative Councils should be allowed to continue in the trade and that the ban imposed in paragraph 1 above should apply only to Members of the Legislature (and Members of their joint families) who were granted licences to deal in iron and steel and allotted quotas of iron and steel for facrication after they became Members of the Legislature.

3. In the case of the Members of the Legislature or the members of their joint families to whom the ban applies, they should be informed of it with a request to relinquish the trade. If they choose to ignore the request the licences or the quotas allotted for fabrication should be cancelled under the respective provisions of the control orders.

4. If in the case of an existing licencee or approved fabricator, it is satisfactorily established that he is a nominee of a Member of the Legislature and the latter the real power behind the licencee or the permit holder, his licence or permit should also be cancelled.

5. The Joint Director of Agriculture is requested to take action on the linces indicated in paras 1 to 4 above, in consultation with the Director of Controlled Commodities and the Iron and Steel Controller in the case of licencees in iron and steel and independently in the case of approved fabricators for agricultural implements.
